Yadira Caraveo for Congress  
P.O. Box 953  
Eastlake, CO 80614  
Dear Representative Caraveo,

On behalf of Animal Wellness Action (AWA), a national policy and political organization dedicated to advancing and enhancing legal protections for animals, we are pleased to endorse your campaign for Congress. Your leadership and advocacy on animal welfare issues during the 118th Congress have shown your steadfast commitment to protecting animals and promoting more humane policies. We are proud to support you in your re-election efforts.

Your co-sponsorships of the SAFE Act (halting export of live horses for slaughter), Greyhound Protection Act, Puppy Protection Act, and the Prevent All Soring Tactics (PAST) Act demonstrate your dedication to addressing critical issues in the animal protection sphere.

We especially commend your leadership in co-sponsoring the FIGHT Act, a top priority for Animal Wellness Action. As this important legislation moves through the Agriculture Committee, your continued advocacy will be crucial in ending the barbaric practices of dogfighting and cockfighting. As a member of the Agriculture Committee, your role in shaping future legislation, including the upcoming Farm Bill, will be instrumental in ensuring that animal welfare remains a priority in federal policy.

We appreciated the opportunity for dialogue with you and we look forward to working with you in the post-election period in 2024 and in the 119<sup>th</sup> Congress. Respect for American democracy and the humane treatment of animals are fundamental values that must be preserved and protected. How we treat animals reflects our core values and decency as a society. AWA recognizes that cruelty toward animals is often linked with other antisocial behaviors that jeopardize the safety of our communities.

We are grateful for your continued support of animal welfare, and we proudly endorse your campaign for Congress. Please feel free to reach out to Wayne Pacelle at [wayne@animalwellnessaction.org](mailto:wayne@animalwellnessaction.org) or (202) 420-0446 with any questions. We look forward to continuing our work together to advance animal welfare in the 119th Congress.

Sincerely,

Wayne Pacelle  
President  
Animal Wellness Action
