The Honorable Josh Riley
Josh Riley for Congress
P.O. Box 836
Ithaca, NY 14851

Dear Congressman Riley,

On behalf of Animal Wellness Action (AWA), a national policy and political organization dedicated to strengthening and advancing legal protections for animals, we are pleased to endorse your re-election campaign for New York's 19th Congressional District.

Your voting record demonstrates a commitment to animal welfare, wildlife protection, and humane public policy.

We commend your vote against the Riley Moore amendment ([House Roll Call Vote 149](#)) during floor consideration of the Farm bill. That amendment sought to punch a hole in the Greyhound Protection Act by creating an exemption allowing commercial greyhound racing to continue in West Virginia – the only state with live greyhound racing. Your vote helped preserve federal protections against an industry long associated with careless treatment of dogs.

We also appreciate your votes against Rep. Lauren Boebert's legislative effort, [H.R. 845](#), to strip federal protection for gray wolves from the 1973 Endangered Species Act (ESA) and [H.R. 556](#), which would restrict federal agencies from addressing the well-documented harms caused by lead ammunition and tackle to wildlife. Those votes demonstrated a commitment to science-based wildlife conservation and responsible stewardship of our natural resources.

We do hope you'll take a serious look at a set of anti-cruelty bills, the FIGHT Act, [H.R. 3946](#); the No Flight No Fight Act, [H.R. 7371](#); and the Animal Cruelty Enforcement Act, [H.R. 1477](#). These are all bipartisan, broadly supported by the American law enforcement and animal welfare communities.

A profound respect for the humane treatment of animals is a core value shared by Americans across the political spectrum. How we treat animals is a powerful reflection of our character as a society, and evidence consistently shows that acts of animal cruelty are frequently linked with broader patterns of violence and antisocial behavior that threaten public safety. By standing against these abuses, you are helping to make communities safer for families and children while upholding fundamental standards of common decency.

For these reasons, Animal Wellness Action is proud to endorse your campaign to win the Democratic nomination in the 19th Congressional District of New York. We look forward to continuing to work with you to advance strong, bipartisan animal protection policies in the 120th Congress.

Sincerely,
