The Honorable Kathy Castor
Castor for Congress
301 W. Platt Street, #385
Tampa, FL 33606

Dear Congresswoman Castor,

On behalf of Animal Wellness Action (AWA), a national policy and political organization dedicated to strengthening and advancing legal protections for animals, we are pleased to endorse your campaign for re-election to represent Florida's 14th Congressional District in the U.S. House of Representatives. Your voting record demonstrates a commitment to animal welfare and humane public policy.

We thank you for cosponsoring the Save America's Forgotten Equines (SAFE) Act, [H.R. 1661](#), to prohibit the export of American horses for slaughter for human consumption.

We particularly appreciate your opposition to [the Farm, Food, and National Security Act, H.R. 7567](#), which included a provision to repeal key state farm animal welfare laws. H.R. 7567 also omitted several bipartisan animal welfare measures, including provisions to end horse slaughter exports (the SAFE Act) and strengthen enforcement against organized animal fighting enterprises (the FIGHT Act).

We also commend your vote against the Riley Moore amendment ([House Roll Call Vote 149](#)) during floor consideration of the Farm Bill. That amendment sought to punch a hole in the Greyhound Protection Act by creating an exemption allowing commercial greyhound racing to continue in West Virginia—the only state with live greyhound racing. Your vote helped preserve federal protections against an industry long associated with careless treatment of dogs.

We also appreciate your votes against Rep. Lauren Boebert's legislative effort, [H.R. 845](#), to strip federal protection for gray wolves from the 1973 Endangered Species Act (ESA), and [H.R. 556](#), which would restrict federal agencies from addressing the well-documented harms caused by lead ammunition and tackle to wildlife. Those votes demonstrated a commitment to science-based wildlife conservation and responsible stewardship of our natural resources.

We also hope you'll consider joining as a cosponsor of a set of anti-cruelty bills, the FIGHT Act, [H.R. 3946](#); the No Flight No Fight Act, [H.R. 7371](#); and the Animal Cruelty Enforcement Act, [H.R. 1477](#). These are all bipartisan, broadly supported by the American law enforcement and animal welfare communities.

A profound respect for the humane treatment of animals is a core value shared by Americans across the political spectrum. How we treat animals is a powerful reflection of our character as a society, and evidence consistently shows that acts of animal cruelty are frequently linked with broader patterns of violence and antisocial behavior that threaten public safety. By standing against these abuses, you are helping protect families and communities while upholding fundamental standards of common decency.

For these reasons, Animal Wellness Action is proud to endorse your re-election campaign for Florida's 14th Congressional District. We look forward to continuing to work with you to advance strong, bipartisan animal protection policies in the 120th Congress.

Sincerely,
