The Honorable Jared Moskowitz
Jared Moskowitz for Congress
P.O. Box 8784
Coral Springs, FL 33065

Dear Congressman Moskowitz,

On behalf of Animal Wellness Action (AWA), a national policy and political organization dedicated to strengthening and advancing legal protections for animals, we are pleased to endorse your campaign for re-election to represent Florida's 25th Congressional District in the U.S. House of Representatives.

We thank you for your leadership as a cosponsor of the Animal Cruelty Enforcement (ACE) Act, [H.R. 1477](#), and the FBI Animal Cruelty Task Force (FBI ACT) Act, [H.R. 3683](#). Together, these complementary bipartisan measures would strengthen the federal government's ability to investigate and prosecute serious animal cruelty crimes by establishing a dedicated Animal Cruelty Crimes Unit within the Department of Justice and a specialized Animal Cruelty Crimes Task Force within the Federal Bureau of Investigation.

We are also grateful for your cosponsorship of the Save America's Forgotten Equines (SAFE) Act, [H.R. 1661](#), to prohibit the export of American horses for slaughter for human consumption.

You flagged your opposition to the repeal of the farm animal welfare laws by joining [182 House Democrats](#) who urged congressional leaders to reject its inclusion in the 2026 Farm Bill. The proposal would have overturned state laws, approved by millions of voters, to establish humane standards for the treatment of farm animals and would have weakened the authority of states to regulate agricultural products sold within their borders.

We particularly appreciate your opposition to [the Farm, Food, and National Security Act, H.R. 7567](#), which included a provision to repeal key state farm animal welfare laws. H.R. 7567 also omitted several bipartisan animal welfare measures, including provisions to end horse slaughter exports (the SAFE Act) and strengthen enforcement against organized animal fighting enterprises (the FIGHT Act). We also appreciate your vote against the Riley Moore amendment ([House Roll Call Vote 149](#)) during floor consideration of the Farm Bill. That amendment sought to punch a hole in the Greyhound Protection Act by creating an exemption allowing commercial greyhound racing to continue in West Virginia—the only state with live greyhound racing. Your vote helped preserve federal protections against an industry long associated with careless treatment of dogs.

Finally, we commend you for your votes against Rep. Lauren Boebert's legislative effort, [H.R. 845](#), to strip federal protection for gray wolves from the 1973 Endangered Species Act (ESA) and [H.R. 556](#), which would restrict federal agencies from addressing the well-documented harms caused by lead ammunition and tackle to wildlife. Those votes demonstrated a commitment to science-based wildlife conservation and responsible stewardship of our natural resources.

We also hope you will consider cosponsoring a set of anti-cruelty bills, the FIGHT Act, [H.R. 3946](#) and the No Flight, No Fight Act, [H.R. 7371](#). These bipartisan measures are broadly supported by law enforcement organizations and the animal welfare community.

A profound respect for the humane treatment of animals is a core value shared by Americans across the political spectrum. How we treat animals is a powerful reflection of our character as a society, and evidence consistently shows that acts of animal cruelty are frequently linked with broader patterns of violence and antisocial behavior that threaten public safety. By standing against these abuses, you are helping protect families and communities while upholding fundamental standards of common decency.

For these reasons, Animal Wellness Action is proud to endorse your re-election campaign for Florida's 25th Congressional District.

Sincerely,
